In light of

(a) Arrowood's assumption that if other disclosures in connection with the Organizational Meetings do not affect Mr. Goldberg's neutrality, and issues of his possible involvement with Sentry's reinsurance

disputes (including matters similar or identical to these disputes) are resolved, "Arrowood would agree to Mr. Goldberg's ability to serve as umpire in the three underlying arbitrations" (Arrowood's counsel Mr. Lewin's March 28, 2014 letter to the Court, at p. 6); and

(b) the fact that no party has pointed to any specific prejudice from awaiting the Disclosures regarding Mr. Goldberg at the forthcoming Organizational Meetings, it is ORDERED that unless the relevant Disclosures concerning Mr. Goldberg are made and furnished to Arrowood sooner, consideration of the reinsurers' application for Mr. Goldberg's appointment by the Court as umpire for the six remaining cases is deferred until after the Organizational Meetings are held, and the parties have had sufficient opportunity to consider the resulting Disclosures.
