ORDER

VALERIE CAPRONI, United States District Judge:

Petitioner Employers Insurance of Wausau A Mutual Company filed this petition for an order and judgment confirming an arbitration award. Dkt. 2. On December 9, 2014, Respondents, Nutmeg Insurance Company and Twin City Fire Insurance Company, joined the petition in part, but objected to the extent the petition sought confirmation of non-final issues. Resp't Mem. at 4 (Dkt. 8). Specifically, Respondents argued that issues relating to the parties' obligations with respect to twelve specific claims and a process to resolve issues relating to those claims were not yet final and therefore the Court lacked jurisdiction to confirm those portions of the award. *Id.* On December 16, 2014, Petitioner's reply argued that Respondents' objection was moot because all parties had performed their obligations and the entire award was at that time final.

Respondents are ORDERED to file a letter not to exceed 5 pages indicating whether they persist in their objection to the Court's confirmation of the entire arbitration award. The letter shall be filed no later than March 9, 2015.

SO ORDERED.
